

Safety Inspection Checklist

(before, during and after the event)

Walk through safety inspections should be carried out immediately prior to, during and after the event. Craven District Council will also undertake an inspection prior to the event organiser using the site. More than one inspection may be needed during the event. Using this form, note all defects and also the remedial action taken. This is not an exhaustive list and care should be taken to identify any other hazards associated with the activities at the event.

Location and date:

Person responsible for safety:

Before and during the event

Site access/egress
